Pianos for the People!

420 Broome St., N. Y.

We would call the attention of the public and the trade to our elegant New Scale Pianos, in the following styles.

STYLE A, 7 octave. Front large round corners, plain case, either octagon or carved legs, straight bottom, bead moulding on plinth. : : : : : \$450

STYLE B, 7 octave, same as style A, with serpentine moulding on plinth, carved legs and lyre. : : : : : \$500

STYLE C, 7 octave. Front corners large round serpentine bottom, mouldings same as on style D, carved lyre and desk, fancy carved legs. : : : : : \$550

STYLE D, 7 octave. Four large round corners, finished back, mouldings on rim and plinth, serpentine bottom, carved lyre and desk, elegant carved fruit legs. : : : : : \$600

The above styles are finished in elegant Rosewood cases and have the full iron frame, French action, harp pedal, beveled top, ivory keys and key fronts, and exceed in every respect nearly all the 7 1/2 octave Pianos now manufactured. They are made of the best materials, and for finish, durability, purity and sweetness of tone, cannot be surpassed. We invite the attention of the public, of dealers and the profession to a critical examination of the merits of our Pianos.

By avoiding the great expense attendant upon costly factories and expensive warehouses in the city, we are enabled to offer these Pianos at prices which defy competition, and invite all to call and examine them before purchasing elsewhere. Parties ordering from a distance can rely upon receiving their Pianos promptly, and no confusion of the styles are so distinctly designated by the letters A B C D.

The four styles described above, embody all the essential changes in exterior finish of case, which are by many manufacturers run up to 15 and 20 patterns.
